Help us Raise Money to Support Our Local Youth. Today's Young Children are Tomorrow's Leaders, Voters and Parents.

All proceeds will benefit the programs supported by Daytona Beach Kiwanis Inc. including:

FUTURES / Take Stock In Children provides college scholarships, volunteer mentors and student advocates/case managers to high achieving, low income students. Often times, these students are the first in their family to attend and graduate from college. Students are required to maintain a 3.0 grade point average and remain of good moral character. This program offers the student a 2+2 scholarship providing two years tuition at a community college followed by 2 years tuition at a Florida state university.

Terrific Kids is a program that recognizes outstanding students in our 12 local schools. This great program awards weekly certificates to over 3,000 children in our local elementary schools each year.

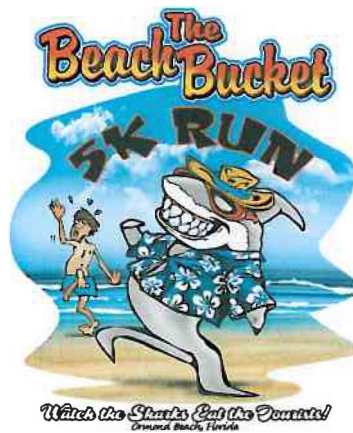

The Excellence in Education Program offers assistance to children to improve reading and math skills with one on one tutoring, books and other educational materials.

Thank.s for the support from our first sponsors
